Esmeralda.

The New York Dramatic News has the following respecting the play which will be presented at the Opera House on the 17th instant:

It tells a tale of home life so truly, and with such touching simplicity, that it appeals to the memory and awakens recollections of just such an unsophisticated girl as "Esmeralda," with the every-day romance of life, and the faults and foibles to be found in every household. For so plain and unvarnished a story the interest excited is really surprising.

Accident.

Yesterday afternoon while Mr. and Mrs. Henry W. Sharp of the Ormsby House, were driving in a buggy across the track near the Mexican Mill at Empire, a hand car suddenly came up and frightened the horse. He reared up, upset the buggy and spilt the lady and gentleman down an embankment. Mrs. Sharp was seriously bruised about the head and person, but Mr. Sharp escaped with a very slight injury.

There is a gentleman in this city, who several months since bought 2,000 shares of Navajo stock for 50 cents per share, and now he can sell the stock for \$20,000, making a net profit of \$19,000. It is safe to say that if he sells now he can realize more than the combined Carson stock operators have profited in the past two years.

George Brickett, the first clerk of the Carson Mint, who served under the late Abram Curry, while the Mint building was in the course of construction, is dying in the Storey County Hospital, where he has been for the past six years.

A very handsome female gambler astonished the habitués of Sweeney's saloon a night or two since. She took a hand at all of the games and, it is said, made the "tiger" growl at her good luck.
